

PETER ESCHLBOECK

B.A.Sc. (Comp. Eng.), P.Eng., LL.B.

Associate

Lawyer, Patent Agent and Trademark Agent

peschlboeck@rowandlaw.com

416 493 3839

Peter assists entrepreneurs and businesses in securing protection for their innovations and branding.

He has experience in the patenting of a broad range of computer and mechanical-related inventions, including software and hardware systems, multimedia devices, telecommunication networks, mobile communication systems, business methods, mechanical devices and consumer products. Peter also has experience in preparing and prosecuting trademark applications.

Prior to his legal career, Peter worked as an engineer at leading high-tech multinationals in the areas of software development and integrated circuits. His extensive experience in industry is a particular asset to clients, greatly enhancing his technical understanding of the intricacies of high-tech inventions.
